CONTRACT HOLDERS

Federal IT challenges are solved everyday with CIO-SP3 Small Business, a Best in Class (BIC) Government-Wide Acquisition Contract (GWAC) offering emerging technology solutions and services. The process has begun to extend CIO-SP3 Small Business for up to one year as needed. This means all federal agencies, both civilian and DOD, will have additional time to award task orders. Final details will be released as they become available.

The NITAAC Difference

Quality

CIO-SP3 Small Business Contract Holders have gone through a rigorous source selection process prior to award, ensuring the pool of contractors are the best-of-the-best, resulting in significant savings in time, money and resources.

Speed

With a $20 billion ceiling per contract holder, flexible contract types and the ability to award quickly, CIO-SP3 Small Business offers streamlined ordering and processing, saving agencies both time and money.

Value

Ceiling rates are negotiated at the Master Contract level so that your agency is already starting with the most costcompetitive rates. And, with competition, they may get even lower.

Ease

Submitting your RFP or Task Order Request is easy. Simply upload your RFP, TOR, RFI, Sources Sought or Special Notice. Our secure, web-based Electronic Government Ordering System (e-GOS) automates fair opportunity competition, management, awardee selection and notification.

Contract Details

CIO-SP3 Small Business is laser focused on helping federal agencies meet socioeconomic goals and helping small businesses grow.
