OUR CIO-SP3
CONTRACT HOLDERS

Chief Information Officer-Solutions and Partners 3 (CIO-SP3) is a 10-year IDIQ Government-Wide Acquisition Contract (GWAC) with a 15-year period of performance that has been designated as Best in Class (BIC) by the Office of Management and Budget (OMB). The process has begun to extend CIO-SP3 for up to one year as needed. This means all federal agencies, both civilian and DOD, will have additional time to award task orders. Final details will become available as they are released.

The NITAAC Difference

Quality

CIO-SP3 Contract Holders have gone through a rigorous source selection process prior to award, ensuring the pool of contractors are the best-of-the-best, resulting in significant savings in time, money and resources.

Value

Ceiling rates are negotiated at the Master Contract level, ensuring that your agency is already starting with the most cost competitive rates. And, with competition, they may get even lower.

Speed

With a \$20 billion ceiling per contract holder, flexible contract types and the ability to award quickly, CIO-SP3 offers streamlined ordering and processing, saving agencies both time and money.

Ease

Submitting your RFP or Task Order Request is easy. Simply upload your RFP, TOR, RFI, Sources Sought or Special Notice. Our secure, web-based Electronic Government Ordering System (e-GOS) automates fair opportunity competition, management, awardee selection and notification.

Contract Details

CIO-SP3 is a Best in Class (BIC) Government-Wide Acquisition Contract (GWAC) with plenty of runway left for new task orders. A \$20 billion ceiling per Contract Holder and up to a five-year period of performance on task orders can take your agency well into the future.

- 10-year IDIQ with 15-year period of performance
- Order direct or use Assisted Acquisitions
- 137 labor categories
- 10 task areas
